the resumed and sold in auction, there may not be sufficient realisation which will leave in hands equal to the value of the yield that may be realised by the annual if the lands are left in his possession. Besides it is stated that the Institution will lose the Inam lands once for all, there being no suitable lands for giving in exchange on their stead - It is also likely that the agents also if impressed with the above facts, & may be induced to take up the lands arrange for their cultivation, and continue to work this as before - In these circumstances it is for orders if the M.C. to arrange for action being taken on the above lines should be requested to submit a further report

SIR,

Cancellation - inam tenure - S.Nos.60 and 63 (wet) - endowed to Sri Lakshminarayanadevaru at Shankarpur village, Tirthahalli Taluk.

In forwarding herewith the vernacular records received with the Shimoga District Deputy Commissioner's letter No.Muz.S.261/32-33 dated 23-5-33 (copy enclosed) on the above subject, I have the honor to state as follows:-

In April 1932, the Deputy Commissioner reported that the lease sale of the inam lands endowed to the above temple proved infructuous, that S.No.46 (garden) might be leased out to the vahivatdar for 30 years subject to certain conditions and that a further attempt would be made to dispose of the lease right of the wet lands. Orders were passed in this office No.R.Dis.125/31-32 dated 6-5-32 to the effect that the garden land might be leased out for 30 years as recommended and that every endeavour should be made to lease out the wet lands. The Deputy Commissioner now reports that the two wet lands S.Nos.63 and 60 are lying fallow as they are situated on the forest line, that all attempts to dispose of the lease right of the lands have proved futile and that the jodi and cesses payable on the lands have to be remitted annually. The Dharmadarsis and the villagers state they do not want the land for cultivation. The Deputy Commissioner recommends that the S.Nos. in question may be ordered to be resumed to Government and disposed of as Sircar lands and that the proceeds may be kept in S.F. Deposit

in the name of the temple. As no benefit is likely to accrue to the temple by retaining the S.Nos. in question as inam, I request that sanction of Government may kindly be obtained to the cancellation of the inam tenure of the lands and their disposal by public auction, the proceeds being deposited in S.B., for the benefit of the temple.

I have the honor to be,

Sir,

Your most obedient servant,

Kuzrai Commissioner.

Letter No.Muz.C.2318/32-33 dated 23-5-33 from the Deputy Commissioner, Shimoga District, to the Muzrai Commissioner in Mysore.

With reference to the correspondence ending with your order No.R.Dis., 129/31-32 dated 3-5-32 sanctioning the recommendation to lease out for a period of 30 years the garden land S.No.46 endowed to Sri Lakshminarayanadevaru at Shankarpur village, Tirthahalli Taluk, and stating that the cancellation of the inam tenure of the wet lands should be recommended only as a last resort, I have the honor to state that the Amildar reports that of the two wet lands S.Nos.63 is lying fallow from 1925-26 and S.No.60 from 32-33, that 3 acres out of the latter S.No.had been unauthorisedly cultivated in 1931-32, that these numbers are situated in the forest, that the Dharmadarsis and the villagers do not want them for cultivation: that the jodi and cesses payable thereon will have to be remitted annually and that therefore they might be resumed and sold on darkhast, the sale proceeds being kept in the S.B. Deposit in the name of the temple. The Sub Divisional Officer, Shimoga, agrees with him.

Under the circumstances reported by the Amildar I request that the two S.Nos. 60 and 63 may be resumed to Government and disposed of as ordinary darkhast lands and the proceeds may be kept in the S.B. Deposit in the name of the temple for conducting seva out of the interest earned annually.

The connected records accompany.
